**JAN  
EGBERTSEN**

Manager Marketing  
Manager Strategy Innovation  
Port of Amsterdam

| **Scientific Board Member**

## ABOUT

Jan Egbertsen (1964) studied Management and Logistics at the Technical University of Twente in the Netherlands. He has worked for the Port of Amsterdam for more than 20 years, holding positions such as Marketing Manager and Advisor to the Board.

Currently, he serves as Manager Strategy Innovation, where he is responsible for hinterland transport, the development of clean fuels for shipping, and digitalisation. His work also encompasses broader innovations in sustainability and energy transition.
